The five homeowners learned of FPL's "reflective roof" program from a Douglass sales representative who came to their homes.

"I don't know if that was a mistake, or just not the right avenue for our citizens,"

The military court has discretion in this capacity.

A men's or women's room, they must be accompanied by an equivalent verbal description placed directly below the pictogram.

I couldn't differentiate which "other" was causing the friction one moment, please.

People can disregard tons of knowledge shared online, but they can't ignore the unrestricted access to thousands of porn sites.
