Delta County Prosecutor Steve Parks visited the Gladstone Clean Sweep location and told the site manager he was pleased to see narcotics and other prescriptions drugs removed from his community.

People can disregard tons of knowledge shared online, but they can’t ignore the unrestricted access to thousands of porn sites.

Every state will be out of compliance for the entire year, and the TSA will not implement a policy of refusing travelers from non-compliant states.

Again, evidence suggests that radiation could be omitted in women at low risk for progression to invasive breast cancer.
