they can and are distracted by work, radios, tvs and electronic games

until today, the idea of dealing with snoring by doing something to keep the mouth shut did not occur to me

you are on a journey whether you want to be or not and whether you realize it or not

i cant wait to read much more from you

remember that treating prostatitis takes time

if someone is prescribed this regularly for depression, the last thing they need is to get crazy high every time they take their dose.

she giggled and poked the end of my nose with a fingertip
